

# WE'RE HIRING!

## DATA & AI MENTOR TECHIONISTA ACADEMY

Are you passionate about data & AI? Do you have some experience in this field? Are you a born mentor with a go-getter attitude, a lot of energy, patience, and a good communicative skill set? If your answer is YES to these questions, then we are looking for you!

We are looking for a mentor who guides our Techionista Academy students through the ups and downs of our Microsoft Azure Certified Data & AI Track, as well as tracks that have yet to be developed. As our Data & AI Mentor, you will support the students online in taking their learning to the next level.

### Good to know:

- Our academy is 100% online.
- The position will be for a 32-36 hour work week.
- Starting date: as soon as possible.

### MAIN RESPONSIBILITIES:

- Supporting and motivating our students;
- Answering student questions, on the hard skills;
- Hosting training days;
- Preparing, hosting and presenting weekly live events;
- Supporting role: As a backbone of the hardskill team you will make sure everything is prepared, set in place and make things roll out smoothly for the students so they can learn efficiently and get the most out of their study.

### WE ARE LOOKING FOR YOU IF YOU...

- have a bright mind(set), have a growth mindset
- have sufficient understanding of Data & AI;
- have a passion for sharing your knowledge;
- are experienced in managing and motivating others;
- are patient, flexible, and have a go-getter attitude;
- have proactive communication skills;
- are fluent in English, speaking Dutch is a plus;
- love to further expand the online possibilities of retraining;
- enjoy fulfilling a supporting role;
- can perform supporting tasks independently.

### WHO WE ARE

Techionista is dedicated to empowering women through technology. The goal: more women in the IT world and more diversity in the labor market. Techionista inspires with tech, educates women, retrains women and helps women find a job in tech. Through these activities, Techionista has already reached a wide audience and built up a strong community.
